

► **THUMBTURN HT1029 - BACKPLATE HT3100**

The HT1029 thumbturn is a rectangular design with a faceted face, shown here with a silhouette backplate. Can be used vertically or horizontally.

See HT3100 for additional backplate information.

THUMB	L x W	BACKPLATE L x W	PROJECTION
1-1/2" x 3/4"		1-1/2" x 3/4"	5/8"
