

► **KNOB HT4006 - BACKPLATE HT3254**

A classic Edwardian design ca. 1900, this turned timber knob with a metal shaft can be produced in a variety of wood species. It can also be produced in Corian for a more contemporary or colorful twist.

KNOB	BACKPLATE	PROJECTION (P)
2-3/16" diameter	1-9/16" diameter	2-3/8"
