

► **KNOB HT4008 - BACKPLATE HT3008**

The HT4008 barrel knob, based on a mid-19th century Neo-Grec design, has a generous face and crisp edge detailing which harmonize with many styles. The geometry of the HT3008 backplate is a perfect foil to the circular knob.

The 2-7/8" round knob is shown here with its coordinating backplate. See HT9008 for coordinating cabinet sizes of this knob.
