

► **KNOB HT4019 - BACKPLATE HT3008**

The HT4019 knob belongs to a family of traditional, domed designs which spans 19th and 20th centuries. Refined proportions and crisp details make this handle suitable for a variety of interiors.

The 2-1/4" knob is shown here with a neoclassical 2-3/8" square backplate. See HT3008 for additional backplate information.
