

► **KNOB HT4033 - BACKPLATE HT3095**

The HT4033 French oval knob from the late 18th century is notable for its sculptural integration of knob and shaft, achieved through the subtle repetition and modulation of decorative profiles.

The HT3095 rosette is the original coordinating rosette; it can be provided with visible mounting holes per the antique or with concealed mounting.

See HT9033 for coordinating cabinet sizes of this knob.
