

► **KNOB HT4033h - BACKPLATE HT3087**

This French oval knob from the late 18th century is notable for its sculptural integration of knob and shaft, achieved through the subtle repetition and modulation of decorative profiles. The hammered face is hand-peened.

The 2-13/16" length knob is shown here with a 1-13/16" round backplate. See HT3087 for additional backplate information.

See HT9033h for coordinating cabinet sizes of this knob.
