

► **KNOB HT4067 - BACKPLATE HT3236**

The HT4067 knob is a traditional Georgian design whose generous dome is ringed by classical stepped detail.

A coordinating backplate, based on an Edwardian design, enriches the classical detail with hand-engraved surface treatment. See HT3236 for additional backplate information.

See HT9074 for coordinating cabinet sizes of this knob.

KNOB	BACKPLATE	PROJECTION (P)
2-1/2" diameter	2" square	2-1/2"
