

H . T H E O P H I L E

SINCE 1882

► **KNOB HT4076 - BACKPLATE HT3240v**

The HT4076 octagonal knob represents a 1920s interpretation of a traditional English design. Notable are the taller proportions of the knob. Shown here with the oversized HT3240v backplate, whose mitered perimeter coordinates with the octagonal geometry.

KNOB	BACKPLATE L x W
