► **KNOB HT4079 - BACKPLATE HT3240v**

Although this neoclassical design belongs to the traditional repertoire, H. Theophile's HT4079 knob stands out for its perfectly proportioned silhouette and crisp detailing. This pairing with an especially graphic square backplate is bold and handsome.

The 2-1/8" round knob is shown here with an 8-3/4" x 3" rectangular backplate. See HT3240v for additional backplate information.
