► **KNOB HT4093b - BACKPLATE HT3087**

Unusual beaded detail on the HT4093b knob recalls 18th century silver patterns, and punctuates the transition from the knob's shaft, shaped like a baluster, to its domed face.

The HT3087 rosette provides a delicate, tapering base and can also be provided with visible mounting screws. See HT3087 for additional backplate information.
