

► **KNOB HT4124 - BACKPLATE HT3198v**

The HT4124 knob, although based on a traditional 18th century knob design, has a definite 20th century sensibility. Moldings evolve into incised lines and proportions are streamlined; the result is crisp and clean.

See HT3198v for additional backplate information.

KNOB	BACKPLATE L x W	PROJECTION
2-1/8" diameter	2-1/2" x 1-5/8"	2-1/16"
