

► **KNOB HT4212 - BACKPLATE HT3243**

The HT4212 Edwardian knob, an unusual, attenuated oval shape, was often used by Lutyens in his interiors. The knob is shown with the HT3243 rosette, an elegant collar whose decorative detail contrasts with the smooth knob.

See HT3243 for additional backplate information.

KNOB	L x W	BACKPLATE	PROJECTION (P)
1-13/16" x 1-1/4"		1-3/4" diameter	3"
