

► **KNOB HT4330 - BACKPLATE HT3098**

The HT4330 is a stylized egg knob typical of pre-war New York. The slightly elongated and flattened egg and ribbed shaft are period detail which give the knob a comfortable hand.

See HT3098 for additional backplate information.

KNOB	L x W	BACKPLATE	PROJECTION (P)
2-5/8" x 1-9/16"		1-1/2" square	2-3/8"
