

► **KNOB HT4960 - BACKPLATE HT3001**

The HT4960 knob, a bold enlargement of a Regency period design, is shown with the HT3001 backplate, a simple foil to the robust drum.

The 2-1/4" round knob is shown here with a 2" round backplate. See HT3001 for additional backplate information.

KNOB	BACKPLATE	PROJECTION
2-1/4" diameter	2" diameter	2-3/16" diameter
