

► **KNOB HT5502 - BACKPLATE HT3001**

The HT5502 modernist pull is remarkable for its intriguing familiarity and unexpected scale. Appropriate for applications where knobs and levers are typically used, this oversized “half moon” coordinates with an integral backplate or rose in which the base disc turns.

See HT3001 for additional backplate information.

KNOB	L x W	BACKPLATE	PROJECTION
2" x 1/4"		2" diameter	1-3/16"
