

► **KNOB HT5502 - RECESSED PULL HT9401**

The HT5502 modernist pull is remarkable for its intriguing familiarity and unexpected scale. Appropriate for applications where knobs and levers are typically used, this oversized “half moon” coordinates with an integral backplate or rose in which the base disc turns.

See HT9401 for additional recessed pull information.

KNOB	L x W	RECESS	L x W	PROJECTION (P)
	2-7/8" x 1/4"		7-1/4" x 4-1/2"	7/8"
