

► **LEVER HT5700 - BACKPLATE HT3001**

The clean modern design of the HT5700 pipe lever is distinguished by its scale and proportions.

The 5" lever (1" dia.) is shown here with a 2" round backplate. See HT3001 for additional backplate information.

See HT5600 for coordinating T-pull sizes.

LEVER LENGTH	BACKPLATE	PROJECTION
3-3/4" overall	2" diameter	2-1/8"
4" overall	2" diameter	2-1/8"
4-1/4" overall	2" diameter	2-1/8"
4-1/2" overall	2" diameter	2-1/8"
4-3/4" overall	2" diameter	2-1/8"
5" overall	2" diameter	2-1/8"
