

► LEVER HT6006 - BACKPLATE HT3190v

The HT6006 lever is based on an English lever design from the 1930s which combines an oval profile handle and a rectilinear shaft. It enlarges the scale of the original for contemporary applications, while maintaining the elegance of the original form.

The 4" lever is shown here with a 1-3/4" square backplate. See HT3190v for additional backplate information.

See HT4600 for coordinating T-pull designs.

LEVER LENGTH	BACKPLATE	PROJECTION
4" overall	1-3/4" square	2-3/16"
5" overall	1-3/4" square	2-3/16"
