► **LEVER HT6030 - BACKPLATE HT3001-1.375**

Based on an iconic Bauhaus design, the HT6030 lever assembles geometric forms in a witty way, using a half-pipe form in this case to create a comfortable lever grip. The minimalist HT3001 rose completes the pairing.

The 4-3/4" lever is shown here with a 1-3/8" round backplate. See HT3001 for additional backplate information.
