

► LEVER HT6125 - BACKPLATE HT3101v

A minimalist design from the 1930s, the HT6125 lever's sophisticated form relies on slight variations in rounded and square treatments of the edges and corners. Attributed to Ruhlmann.

See HT3101v for additional backplate information.

LEVER LENGTH	BACKPLATE	PROJECTION
4-5/8" overall	1-3/4" square	1-3/4" square
