

► LEVER HT6172 - BACKPLATE HT3190v

This cylindrical lever, based on the classic Bauhaus handle, is artfully paired with a period-appropriate backplate with visible screws.

Size shown is the 4-3/4" lever with 1-5/8" square backplate. See HT3190v for additional backplate information.

LEVER LENGTH	BACKPLATE	PROJECTION
4-3/4" overall	1-5/8" square	2-1/2"
