

► **RECESSED PULL HT9017v-5.250x2.625**

---

The HT9017v rectangular recessed pull features a symmetrical frame and square inside corners. The use of visible screws provides a modern industrial detail. Available for pocket doors and if specified with a lip, can be used on swing doors.

LENGTH	WIDTH	PROJECTION
5-1/4"	2-5/8"	1/8"
