

► RECESSED PULL HT9018

The HT9018 recessed pull has a slight asymmetry. The interior corners of the recess are slightly radiused. This pull can be used on sliding or swing doors; specify when ordering.

Standard box depth (mortised depth behind face frame) is shown.

LENGTH	WIDTH	PROJECTION	BOX DEPTH
3-1/2"	1-3/4"	1/8"	11/16"
5"	1-3/4"	1/8"	11/16"
