

► CABINET PULL HT9021 - BACKPLATE HT3190v

This handsome English design from the 1930s has refined proportions through the elaboration of its unusual oblong face with hand-engraved cross-hatching. The 1-5/8" length pull is shown here with a 1-3/16" square backplate. See HT3190v for additional backplate information.

See HT4021 for coordinating door knob sizes of this pull.
