

► CABINET PULL HT9022

This handsome English design from the 1930s has refined proportions and is unusual for its oblong face with a hand-engraved pattern. The incised lines lend a jeweler's precision to the Machine Age design.

The HT9022 is available in the standard sizes listed below, and in custom sizes and finishes upon request. This pull can be paired with a variety of backplates.

See HT4022 for coordinating door knob sizes of this pull.
