

► **HOOK HT9215**

The HT9215 rectangular hook, based on an American design from the 1920s, delicately balances its historical stepped detail with a modern sensibility for clean lines and proportion.

See HT9049 for coordinating cabinet pull and HT4049 for larger coordinating door knob sizes.

LENGTH	WIDTH	PROJECTION
1-3/8"	3/4"	2-5/16"
