

► **WIRE PULL HT9240**

The HT9240 wire pull draws on a review of the dozens of lever variants of the Walter Gropius design circa 1930.

See HT9070 for a coordinating wire pull design, and HT6240 and HT6014 for coordinating lever designs.

LENGTH	C-TO-C	WIDTH	PROJECTION
8-7/8"	8"	7/8"	2-1/4"
