

► CABINET PULL HT9300

The HT9300 cabinet pull is a Northern European design found in a variety of permutations since the 18th century. The incised lines at the base suggest a Neoclassical detail.

The HT9300 is available in the standard sizes listed below, and in custom sizes and finishes upon request. This pull can be paired with a variety of backplates.

See HT9234 for a coordinating rectangular cabinet pull design.

PULL LENGTH	WIDTH	PROJECTION
1-1/8"	1-1/8"	1-1/8"
