

► CABINET PULL HT9301

The HT9301 cabinet pull is a contemporary variant of a traditional fitting circa 19th century New England. Its enlarged diameter and crisp lines make it unmistakably contemporary and give it an excellent hand.

The HT9301 is available in the standard sizes listed below, and in custom sizes and finishes upon request. This pull can be paired with a variety of backplates.

PULL DIAMETER	PROJECTION
1-3/8"	7/8"
1-1/2"	1"
1-3/4"	1"
