

► **WIRE PULL HT9383**

The ergonomic grip of the HT9383's pull, which is oval in section, transitions to square base legs on this handsome and versatile pull. A variety of coordinating pieces include the HT6006 lever and HT9203 offset wire pull.

| LENGTH | C-TO-C | WIDTH | PROJECTION |
|--------|--------|---------|------------|
| 8" | 7-3/8" | 1-3/16" | 1-7/8" |
