

► RECESSED PULL HT9825

The HT9825 is a tri-partite pull set.

This three-part pull is suited for installation at the intersection of three cabinet doors and/or drawers.

A minimal box depth (mortised depth behind face frame) is shown; other depths are also available.

LENGTH	WIDTH	PROJECTION	BOX DEPTH
4-1/8"	2-7/8"	1/8"	7/16"
