

► WIRE PULL HT9847

The HT9847 is a wire pull with a rock crystal insert and square shafts. Available in a range of rock crystal colors; custom color matching requires longer lead times for sourcing and matching.

Available in standard and custom sizes.

LENGTH	C-TO-C	WIDTH	PROJECTION
4"	3"	5/8"	1-3/16"
4-1/2"	3-1/2"	5/8"	1-3/16"
