

► **CABINET PULL HT9910 - BACKPLATE HT3916**

The HT9910 traditional drop pull can be used with or without a backplate. Its dedicated turned design is cast and hand-finished, like the original 1820s fitting on which it is based. Shown here with HT3916 backplate. Size shown is 2-3/4" pull with 1" round backplate.

PULL	H x W	BACKPLATE	PROJECTION
2-3/4" x 7/8"		1" diameter	1"
